

Notes from the Field: Building an Assessment Program at UCSF Library

Ariel Deardorff, MLIS
Assessment & Data Management Librarian
UCSF Library
January 21, 2016

UCSF Library

WHERE DID WE START?

Launched in September 2015

One new assessment librarian

One goal: put assessment into action!

WHAT IS OUR ASSESSMENT GOAL?

Determine the quality and impact of library services and programs.

Measure the overall contribution of the library to UCSF's 3 strategic areas (education, patient care, research)

Mindset: Outcomes-based assessment

WHAT HAVE WE DONE SO FAR?

5 months in!

Assessment Inventory

Assessment Project Template

Assessment Projects!

ASSESSMENT INVENTORY

- **Program Area**
- **Service**
- **Division Head**
- **Primary UCSF Population Served**
- **Strategic Area**
- **Data Currently Collected**
- **Current Assessment Projects**
- **Desired Outcomes**
